Approved:

QMW CC&R's 2.07 – ANTENNAS AND SATELLITE DISHES

No radio or television antennas or satellite dishes shall be placed on any UNIT in a manner that makes it visible from outside the UNIT, except for those radio and television antennas which the Association is required to approve pursuant to section 1376 of the Civil Code or Title 47 Vol. 1 of the code of Federal Communications Commission regulations, or other proper regulatory authority. The Board of Directors shall keep a copy of each of these documents on file and shall cite the appropriate section whenever a decision is made regarding one of the above mentioned requests.
