A Quail Meadows West Homeowners Association Publication

Greetings To All,

Here we are getting close to October and as typical for this time of year we are looking for potential new HOA Board of Directors members. As stated for the last few months, we are on the lookout for a new 1<sup>st</sup> chair responsible for clubhouse, pool, parties and all general duties including being involved in meetings. If you have a desire to be part of our board please do not hesitate reaching out to us.

We will also be working on finalizing the third quarter and have a new budget proposal for the coming year along with mandatory disclosures before end of year. I don't anticipate any real changes.

The guest parking area along Pheasant View is coming along and once completed will look great. We are also moving forward with installing [Pyracantha](#) plants along the chain link fence on Santa Maria Way. They will be small but grow quickly and provide a thorny barrier. You can click on the plant name for a link to view more information on the plant.

Friendly reminder that parking on the street or homeowners parking in the guest parking is not allowed. Also if you have asked and received Architectural Committee approval for a project, we urge you to complete the job within the time allowed. We seem to have some homeowners getting started but not finishing. Please stay in contact with the committee and make sure you resolve any issues.

On a very sad note: We had another passing in August. Miles Dennis, one of our most active homeowners for over 30 years passed. He had moved with his wife Charlene up to the bay area to be closer to his family. Miles was always a significant part of this community and donated a lot of time to make Quail Meadows West what it is today. He was also involved with the Santa Maria Men's Club. He will be missed by all who knew him.
